The Bewitched Continuum is a fun insider's look at the classic television show's overall continuity that will have you appreciating Samantha, Darrin, and their circle of impish witches and manic mortals in a whole new way. Adam-Michael James zaps up the same magnifying glass he uses on scripts for Hollywood studios and his columns at soapcentral.com to explore the consistencies and inconsistencies of Bewitched, comparing and contrasting all 254 episodes like never before. The only book to focus solely on the supernatural sitcom's fictional elements, The Bewitched Continuum delves into burning questions like: How come witches can use their powers in the past in some episodes but not in others? Can witches undo one another's spells, or not? The result is a definitive reference guide that is entertaining, perceptive, and always respectful. In addition to stunning photos and overviews for all eight seasons, this magical manual reveals how many times Endora called Darrin "Durwood" and who was afflicted with which witchy illness, not to mention offers an exclusive peek at one idea for the series finale Bewitched never had. Whether hardcore fan or discovering the show for the first time, The Bewitched Continuum casts a spell you won't soon forget! This book, written in plain language by an experienced, psychoanalytically-orientated therapist, is aimed at lay readers who wish to understand how couples consciously and unconsciously operate in successful and unsuccessful partnerships. It covers the central concepts involved, illustrated by (disguised) case material. The book will also be invaluable for trainers, trainees, and individual counsellors/psychotherapists wishing to extend their work into a fresh clinical area namely couple therapy. The style is lively and accessible, covering a complete range of couple issues from early union till death. By means of real people's stories it clearly demonstrates how internal and external experiences throughout development from birth to adolescence shape the style, quality, and progress of a committed pair bond. Not all couples require therapy, of course. A careful reading of this book could be sufficient to start off a change in a couple's way of thinking, such that impending problems are prevented or better managed. A summary of who might and might not need help is presented in the concluding section of the book. When Marty Andrews gets bitten by a mangy mutt while walking her teacup poodle, her blond hair darkens, the hair on her legs starts growing at an alarming rate, and her mood swings put her dream job as a sales rep for Bobbie-Sue Cosmetics in serious jeopardy. Then a drool-worthy man shows up at her door claiming that he accidentally bit Marty. And since he's a werewolf, she is now, too. Thinking Keegan Flaherty is clearly insane, Marty refuses to believe a word until a kidnapping makes her realize there's more at stake than just her highlights. And she must put her out-of-control life in the hands of the man who makes her blood run wild in more ways than one... [Menage Amour: Erotic Paranormal Menage a Trois Romance, M/F/M, shape-

shifters, HEA] Kate Edwards and Bran McGregor have been mated almost two years and things are going great. So Kate is shocked at her body's reaction to Caleb Donovan, one of the newest members of their Pack and father to twin boys Landon and Lucas. When she realizes that he is her second mate she must figure out a way for them to come together as a family. When the hyenas return, this time to kidnap their sons, Kate, Caleb, and Bran find themselves questioning the loyalty of the Pack around them and relying on those outside the Pack to keep their sons safe. Unable to discover how the hyenas are able to enter Arkadia, tragedy strikes and Pack, Pride, and Sloth come together to defend their town against the hyenas, but will it be enough for everyone to make it out alive? \*\* A Siren Erotic Romance For over fifty years, the beloved 1960s sitcom Bewitched has been enchanting television audiences. Created at a turbulent time in American history, Bewitched offered a brief respite from the worries of the day. The Bewitched History Book ties in the events of the times with each episode and breaks down each episode in depth. Within these pages you will learn everything about America's favorite witch, Samantha Stephens, her dreary mortal husband, Durwood—er—Darrin, and the grand host of witches, warlocks, and marvelous mortals who accompanied them on their journey as television's most unique couple. Rare trivia and photos accompany the episodes, as you learn which witch went which way along with what mortal madness materialized in the swinging 1960s of suburbia! David Pierce is considered to be the Bewitched Historian from his posts at [www.harpiesbizarre.com](http://www.harpiesbizarre.com) and [www.facebook.com/bewitchedhistorybook](http://www.facebook.com/bewitchedhistorybook). He is a brokerage case manager for disability insurance. This is his first book. A supernatural force on the loose in San Francisco and a family reunion keeps witch and vintage storeowner Lily Ivory on her toes as she prepares to walk down the aisle... When Lily Ivory stumbles on the uniform of a former prisoner from Alcatraz and SFPD inspector Carlos Romero's cousin is kidnapped, Lily suspects something dangerous has been unleashed on the ghost-ridden island of Alcatraz. She'll have to sleuth out the culprit—when she's not busy entertaining her visiting relatives and resolving romantic conflicts as her wedding date approaches. Could recent omens be pointing to the magical threat in her adopted city? If so, she'll have to line up her allies to change the fate of the Bay Area. Because no matter what, Lily's determined to celebrate her marriage with her friends by her side—even if it means battling a demonic foe before she can make it to the altar. When the entire city erupts into chaos with matings being dissolved and Founding Families making alliances, Declan realizes it will take every trick he learned at his father's knee to maneuver through the murky political waters swirling around them. They race against time to keep the people of the city safe. A provocative, moving, kinky, and often absurdly funny memoir about Shakespeare, love, obsession, and spanking When it came to understanding love, a teenage Jillian Keenan had nothing to guide her—until a production of *The Tempest* sent Shakespeare's language flowing through her blood for the first time. In *Sex with Shakespeare*, she tells the story of how the Bard's plays helped her embrace her unusual sexual identity and find a love story of her own. Four hundred years after Shakespeare's death, Keenan's smart and passionate memoir brings new life to his work. With fourteen of his plays as a springboard, she explores the many facets of love and sexuality—from desire and communication to fetish and fantasy. In *A Midsummer Night's Dream*, Keenan unmaskes Helena as a sexual masochist—like Jillian herself. In *Macbeth*, she examines criminalized sexual identities and the dark side of “privacy.” The *Taming of the Shrew* goes inside the secret world of bondage, domination, and sadomasochism, while *King Lear* exposes the ill-fated king as a possible sexual predator. Moving through the canon, Keenan makes it abundantly clear that literature is a conversation. In *Sex with Shakespeare*, words are love. As Keenan wanders the world in search of connection, from desert dictatorships to urban islands to disputed territories, Shakespeare goes with her—and provokes complex, surprising, and wildly important conversations about sexuality, consent, and the secrets that simmer beneath our surfaces. When the topic of grandchildren comes up during a weekly sewing circle the

matriarchs of the founding families seek out the witch Elder to scry to see if their sons have mates. They are shocked to discover that many of their son's mates are out in the world and are human! Fearing that their future daughter in laws will end up dead before being claimed and providing them with grandchildren to spoil, they convince their own mates that something must be done. After gathering all of the warriors together in a fake award ceremony the witch Elder casts a spell to pull the warrior's mates to them, whether they want it or not. Aiden McKenzie is adamant that he doesn't need a mate and that she would only get in the way. He doesn't have time to coddle a female. He likes his world run with military precision. Little does he realize, Fate is sending him his mate first! He meets his destined mate Meryn Evans and things go downhill from there. She is the embodiment of chaos. In the first twenty-four hours she kicks, screams and knocks her bear shifting mate unconscious. Eventually they discover that life before finding each other may have been good, but life afterwards is perfect, even if it involves super soaker battles and accidentally discharging hand grenades. Unfortunately the joy of their mating is overshadowed when Aiden and Meryn find themselves embroiled in a missing persons case assigned to Aiden by the Lycaonian Council. By assisting Aiden, Meryn finds herself the focus of a demented killer. Can Aiden and the elite warriors from the Alpha Unit keep Meryn safe? Or did Fate bring her to Lycaonia to die? Winner of the Pulitzer Prize in Fiction Shortlisted for the Man Booker Prize New York Times Bestseller A New York Times Notable Book and a Washington Post, Time, Oprah Magazine, Newsweek, Chicago Tribune, and Kirkus Reviews Best Book of 2018 "The best novel ever written about trees, and really just one of the best novels, period." —Ann Patchett *The Overstory*, winner of the 2019 Pulitzer Prize in Fiction, is a sweeping, impassioned work of activism and resistance that is also a stunning evocation of—and paean to—the natural world. From the roots to the crown and back to the seeds, Richard Powers's twelfth novel unfolds in concentric rings of interlocking fables that range from antebellum New York to the late twentieth-century Timber Wars of the Pacific Northwest and beyond. There is a world alongside ours—vast, slow, interconnected, resourceful, magnificently inventive, and almost invisible to us. This is the story of a handful of people who learn how to see that world and who are drawn up into its unfolding catastrophe. As Kendrick feels his goddaughter's magic flare out of control he immediately merges with her in an attempt to rein it in. That's when he learns that has taken his only family away from him. Anne Bennett gets a phone call that changes her life. Her best friend Keelan has been hurt and his commander is asking her to take care of him. When a mysterious illness begins to sweep through Noctem Falls affecting the children, Eleanor Kimball is called to the city to see if she can determine what is wrong. As a pediatrician Eleanor loves children and desires many of her own, however, after several dating disasters she has not only sworn off men, but has given up her dream of a family, and the promise of a destined mate. After discovering Grant in Noctem Falls she is faced with her own insecurities and finds it hard to believe in his love. Grant Douglas is a man of few words and doesn't do well surrounded by others. He is scared to death of finding a mate. He believes the harshness of his past, where he struggled to survive, didn't cultivate a gentle heart. After a series of terrifying nightmares where his mate is at risk, Grant has decided he doesn't want a mate at all. When he meets Ellie, he realizes there are some things worth fighting for. Even if it means putting himself out there by becoming the Alpha he was born to be and facing the power he desperately tries to hide. As Ellie starts to believe in Grant's love it will take every ounce their combined strength to discover why the shifter children are suddenly falling ill before it's too late. "She was like a storm." —Leonard Cohen *Joni Mitchell* may be the most influential female recording artist and composer of the late twentieth century. In *Reckless Daughter*, the music critic David Yaffe tells the remarkable, heart-wrenching story of how the blond girl with the guitar became a superstar of folk music in the 1960s, a key figure in the Laurel Canyon music scene of the 1970s, and the songwriter who spoke resonantly to, and for, audiences across the country. A Canadian prairie girl, a free-

spirited artist, Mitchell never wanted to be a pop star. She was nothing more than “a painter derailed by circumstances,” she would explain. And yet, she went on to become a talented self-taught musician and a brilliant bandleader, releasing album after album, each distinctly experimental, challenging, and revealing. Her lyrics captivated listeners with their perceptive language and naked emotion, born out of Mitchell’s life, loves, complaints, and prophecies. As an artist whose work deftly balances narrative and musical complexity, she has been admired by such legendary lyricists as Bob Dylan and Leonard Cohen and beloved by such groundbreaking jazz musicians as Jaco Pastorius, Wayne Shorter, and Herbie Hancock. Her hits—from “Big Yellow Taxi” to “Both Sides, Now” to “A Case of You”—endure as timeless favorites, and her influence on the generations of singer-songwriters who would follow her, from her devoted fan Prince to Björk, is undeniable. In this intimate biography, drawing on dozens of unprecedented in-person interviews with Mitchell, her childhood friends, and a cast of famous characters, Yaffe reveals the backstory behind the famous songs—from Mitchell’s youth in Canada, her bout with polio at age nine, and her early marriage and the child she gave up for adoption, through the love affairs that inspired masterpieces, and up to the present—and shows us why Mitchell has so enthralled her listeners, her lovers, and her friends. Reckless Daughter is the story of an artist and an era that have left an indelible mark on American music. This is insane. This human—beautiful though she may be—can’t be my mate. I learned the hard way what it’s like to lose people you love. As an alpha, I vowed never to let that happen again. That means keeping my focus. Never letting my guard down. And, most of all, staying away from civilians - i.e. humans. But the feisty chocolatier has me breaking my own rules. The beautiful female tests my patience... and all my control. I should stay away. I can’t protect the pack if I succumb to my desires. But what if this is more than desire? What if Fate matched me with this human, and she’s my mate? If I don’t claim her, I’ll lose it all in the worst possible way. A biography on the legendary gay American composer of contemporary classical music. American composer Lou Harrison (1917–2003) is perhaps best known for challenging the traditional musical establishment along with his contemporaries and close colleagues: composers John Cage, Aaron Copland, Virgil Thomson, and Leonard Bernstein; Living Theater founder, Judith Malina; and choreographer, Merce Cunningham. Today, musicians from Bang on a Can to Björk are indebted to the cultural hybrids Harrison pioneered half a century ago. His explorations of new tonalities at a time when the rest of the avant-garde considered such interests heretical set the stage for minimalism and musical post-modernism. His propulsive rhythms and ground-breaking use of percussion have inspired choreographers from Merce Cunningham to Mark Morris, and he is considered the godfather of the so-called “world music” phenomenon that has invigorated Western music with global sounds over the past two decades. In this biography, authors Bill Alves and Brett Campbell trace Harrison’s life and career from the diverse streets of San Francisco, where he studied with music experimentalist Henry Cowell and Austrian composer Arnold Schoenberg, and where he discovered his love for all things non-traditional (Beat poetry, parties, and men); to the competitive performance industry in New York, where he subsequently launched his career as a composer, conducted Charles Ives’s Third Symphony at Carnegie Hall (winning the elder composer a Pulitzer Prize), and experienced a devastating mental breakdown; to the experimental arts institution of Black Mountain College where he was involved in the first “happenings” with Cage, Cunningham, and others; and finally, back to California, where he would become a strong voice in human rights and environmental campaigns and compose some of the most eclectic pieces of his career. “Lou Harrison’s avuncular personality and tuneful music coaxed affectionate regard from all who knew him, and that affection is evident on every page of Alves and Campbell’s new biography. Eminently readable, it puts Harrison at the center of American music: he knew everyone important and was in touch with everybody, from mentors like Henry Cowell and Arnold Schoenberg and Charles Ives and Harry Partch and

Virgil Thomson to peers like John Cage to students like Janice Giteck and Paul Dresher. He was larger than life in person, and now he is larger than life in history as well.” —Kyle Gann, author of Charles Ives’s *Concord: Essays After a Sonata On the seedy side of Chicago*, Joey Evans is a poor man’s Bing Crosby, a wise-cracking crooner down on his luck but always on the make. In his letters to a pal in New York he gives the lowdown on his shady escapades, runs with the mob and easy affairs with the prettiest mice in the business. For the first time in one volume, the New York Times bestselling author presents three tales of paranormal romance. In “Everything She Does is Magick,” a trio of matchmaking witches chooses unsuspecting little Nathan McBride as the perfect mate for their baby niece. The future looks rosy indeed, except for one little catch: they must keep him a virgin!...A lady private eye on the run from some dangerous gangsters invokes a spell of protection in a fit of desperation--and conjures up a dashing musketeer looking for his damsel in distress in “Musketeer By Moonlight.”...And in “The Con and the Crusader,” Jack McCain jumps into a well--and into the past. Mistaken for a criminal, he’s headed for prison, until he’s freed--with a wedding proposal! After her boss became her ex-boyfriend and turned her life inside out, Rebecca is on the road looking for adventure and a place to call home. She never imagined the mysterious road she would take would lead her to a grumpy hot Sheriff, a gorgeous playboy and a group of gay fashionistas, or, that they would be bear and lion shifters. Reading about being a shifter’s mate was one thing, living it was another. Aleks has sworn off human women. After working a brutal homicide he has returned to the shifter-only town of his birth to date the local shifter women and hopefully find a nice female bear to give him cubs. When Fate throws him an itty, bitty human as a mate, he refuses to have anything to do with her. As the attraction between them grows Aleks realizes that he can’t seem to stay away from the tiny dark-haired human, but the realization may come too late, as he faces the fact that though her body was never in any danger, he may have shattered her heart. He wonders if she will be safe with him and she wonders if she will ever be what he always wanted. In the end they will both see that Fate Knows Best From the head writer of “The Onion’s” entertainment column comes a painfully funny memoir as seen through the sturdy prism of pop culture. Through music, books, films, and television, Rabin shares his too-strange-for-fiction life story. Amelia has dreamt of her mate since she was a little girl. All her life visions of a golden prince have warmed her heart and promised a fairy-tale future. She longs for the day when they will finally be together. When the fateful day arrives and she meets Darian for the first time, she is nearly destroyed by his unequivocal rejection. His continued denial of their destined relationship has her doubting her own self worth and the visions she has had all her life. Darian is teetering on the edge. He refuses to acknowledge Amelia as his mate and shadows continue to spread across his heart. He has grown used to the emptiness in his soul and almost fears the barrage of emotions she elicits. When an unexpected tragedy sends Darian spiraling into a hopeless abyss, will Amelia have the strength to pull him out, or will she succumb to her own darkness? Gavriel Ambrosios

has been dreaming of his accident prone mate for weeks. Now that he is nearing the apex of his vampiric transition, she has made her way to Lycaonia, just when he is at his most dangerous. Elizabeth Monroe was planning on staying in Lycaonia while humans forgot about the swan dive she took out of her boss's office window. Little did she know that this short side trip was about to become permanent. Gavriel is the mate she has always dreamed of. Even as he sweeps her off her feet his need to protect her has him pushing her away. She's both concerned with and drawn to his darker nature, but is determined to see him through his transition. In the shadows their enemy has targeted Gavriel when they know he is at his most vulnerable. They creep ever closer to the Alpha estate putting the men on high alert. But as the days get shorter and the nights get longer Elizabeth begins to wonder, which is the bigger threat? The enemy or her mate? [Siren Classic ManLove: Erotic Alternative Paranormal Romance, M/M, vampires, shape-shifters, HEA] Ashby Fairfax has always looked for love in the wrong places. We had one night together, and then she ghosted. Apparently, I'm not part of her 'life plan'. Whatever, angel. Plans change. She thinks I'm a player. That I won't stick around. She thinks I don't have what it takes to be a dad. That I won't drop everything and dedicate my life to our baby. To our family. To her. She's wrong. She thinks I'll walk away? She has no idea what she's in for. A wolf never walks away from his mate, and he always protects his pups. I may not have marked her yet, but I will. And if she tries to run, I'll follow. I'll hunt my beautiful female to the ends of the Earth. THE STORY: Gillian Holroyd is one of the few modern people who can actually cast spells and perform feats of supernaturalism. She casts a spell over an unattached publisher, Shepherd Henderson, partly to keep him away from a rival and partly because An award-winning journey through Johann Sebastian Bach's six cello suites and the brilliant musician who revealed their lasting genius. One fateful evening, journalist and pop-music critic Eric Siblin attended a recital of Johann Sebastian Bach's Cello Suites—an experience that set him on an epic quest to uncover the mysterious history of the entrancing compositions and their miraculous reemergence nearly two hundred years later. In pursuit of his musicological obsession, Siblin would unravel three centuries of intrigue, politics, and passion. Winner of the Mavis Gallant Prize for Non-fiction and the McAuslan First Book Prize, *The Cello Suites* weaves together three dramatic narratives: the disappearance of Bach's manuscript in the eighteenth century, Pablo Casals's discovery and popularization of the music in Spain in the late nineteenth century, and Siblin's infatuation with the suites in the present day. The search led Siblin to Barcelona, where Casals, just thirteen and in possession of his first cello, roamed the backstreets with his father in search of sheet music and found Bach's lost suites tucked in a dark corner of a store. Casals played them every day for twelve years before finally performing them in public. Siblin sheds new light on the mysteries that continue to haunt this music more than 250 years after its composer's death: Why did Bach compose the suites for the cello, then considered a lowly instrument? What happened to the original manuscript? A seamless blend of biography and music history, *The Cello Suites* is a true-life journey of discovery, fueled by the power of these musical masterpieces. "The ironies of artistic genius and public taste are subtly explored in this winding, entertaining tale of a musical masterpiece." —Publishers Weekly "Siblin's writing

is most inspired when describing the life of Casals, showing a genuine affection for the cellist, who . . . used his instrument and the suites as weapons of protest and pleas for peace.”

—Booklist, starred review AN OPRAH'S BOOK CLUB SELECTION An Instant New York Times Bestseller Shortlisted for the 2021 Booker Prize Longlisted for the 2021 National Book Award for Fiction Longlisted for the 2022 Andrew Carnegie Medal for Excellence in Fiction A heartrending new novel from the Pulitzer Prize–winning and #1 New York Times best-selling author of *The Overstory*. The astrobiologist Theo Byrne searches for life throughout the cosmos while single-handedly raising his unusual nine-year-old, Robin, following the death of his wife. Robin is a warm, kind boy who spends hours painting elaborate pictures of endangered animals. He’s also about to be expelled from third grade for smashing his friend in the face. As his son grows more troubled, Theo hopes to keep him off psychoactive drugs. He learns of an experimental neurofeedback treatment to bolster Robin’s emotional control, one that involves training the boy on the recorded patterns of his mother’s brain... With its soaring descriptions of the natural world, its tantalizing vision of life beyond, and its account of a father and son’s ferocious love, *Bewilderment* marks Richard Powers’s most intimate and moving novel. At its heart lies the question: How can we tell our children the truth about this beautiful, imperiled planet? Fun loving wolf-shifter Colton Albright’s usual concern...his next meal, has been replaced by haunted dreams. The nightly visions of the sad, anxious face of his mate have this jovial jokester withdrawing from his fellow Alpha Unit members. Rheia Bradley is a dedicated professional that lives to help others, but has long forgotten how to help herself. When she arrives in Lycaonia seeking the protection of the warrior units, Colton is ecstatic to discover that she’s his mate. His relief is quickly eclipsed by one small problem, a tiny, solemn four-year-old girl who happens to be his mate’s adopted daughter. Which means... he is now a father! While Rheia settles into her new job, Colton and all his fellow warriors are about to get a crash course on little girls. The men quickly learn that not one ounce of their centuries-long training has prepared any them for this precocious child. When Rheia uncovers something about their enemy that puts her name next to her daughter’s on their hit list, Colton is willing to do anything to keep his new family safe. But will it be enough? An unforgettable portrait of an exuberant yet troubled artist who so enriched the American songbook “Blue Moon,” “Where or When,” “The Lady Is a Tramp,” “My Funny Valentine,” “Isn’t It Romantic?,” “My Romance,” “There’s a Small Hotel,” “Falling in Love with Love,” “Bewitched, Bothered and Bewildered”—lyricist Lorenz Hart, together with composer Richard Rodgers, wrote some of the most memorable songs ever created. More than half a century after their collaboration ended, Rodgers & Hart songs are indispensable to the repertoire of nightclub singers everywhere. *A Ship Without a Sail* is the story of the complicated man who was Lorenz Hart. His lyrics spin with brilliance and sophistication, yet at their core is an unmistakable wistfulness. The sweetness of “My Romance” and “Isn’t It Romantic?” is unsurpassed in American song, but Hart’s lyrics could also be cynical, funny, ironic. He brought a unique wit and elegance to popular music. Larry Hart and Richard Rodgers wrote approximately thirty Broadway musicals and dozens of songs for Hollywood films. At least four of their musicals—*On Your Toes*, *Babes in Arms*, *The Boys from Syracuse*, and *Pal Joey*— have become classics. But despite their prodigious collaboration, Rodgers and Hart were an odd couple. Rodgers was precise, punctual, heterosexual, handsome, and eager to be accepted by Society. Hart was barely five feet tall, alcoholic, homosexual, and more comfortable in a bar or restaurant than anywhere else. Terrified of solitude, he invariably threw the party and picked up the check. His lyrics are all the more remarkable considering that he never sustained a romantic relationship, living his entire life with his mother, who died only months before he died at age forty-eight. Gary Marmorstein’s revelatory biography includes many of the lyrics that define Hart’s legacy—those clever, touching stanzas that still move us or make us laugh.
