This Is Serious Aug 08 2021 Co-published by Art Gallery of Hamilton THIS IS SERIOUS reveals the considerable contributions artists from across the country are making to the greater field of global comics - of which Toronto, Montreal, and Hamilton are significant creative centres. Surveying the work of 40 contemporary Canadian artists, THIS IS SERIOUS showcases the energy of underground artistic production and indie publishing, expressed through a diverse range of artists. Co-curated by Alana Traficante and award-winning cartoonist Joe Ollmann, THIS IS SERIOUS presents the recent arc of production that has helped shaped the current state of graphic storytelling, here and now, on home soil. With contributions from Jeet Heer and Peggy Burns. Featuring the work of contemporary and historical Hamilton artists such as: David Collier, Jesse Jacobs, Sylvia Nickerson, Doug Wright, James Simpkins and Joe Ollmann. Featuring four of the most well-respected Canadian artists: Seth, Julie Doucet, Fiona Smyth and Chester Brown. Also featuring a national survey of artists working today, including: Jillian Tamaki, Michael Deforge, Hartley Lin, Ho Che Anderson, Gord Hill, Diane Obom, Kate Beaton, and Pascal Girard, among many more.

Louis Riel Feb 26 2023 This work was originally serialized, in a slightly different version, in the 10-issue comic book series Louis Riel, published by Drawn & Quarterly between 1999 and 2003.

The Barn Owl's Wondrous Capers Aug 28 2020 Eighteenth-Century Calcutta. The Second City Of The Empire Is Teeming With Scandalous Gossip And Rumour. Abravanel Ben Obadiah Ben Aharon Kabariti, Sephardic Jew From Syria And Trader In Novelties Such As Corsets, Aphrodisiacs And Zebras, Befriends The British Officers And The Local Elite By Day And Records Their Escapades By Night In A Leather-Bound Journal. 1950S Paris. A Battered Copy Of The Journal Surfaces In A Hole-In-The-Wall Antique Shop In Montmartre. London, 2002. A Phone Rings In The East End, Late At Night, Announcing A Death And An Inheritance: A Silver Lighter, A Vintage Motorcycle, An Ancient Radio And The Barn Owl'S Wondrous Capers. What Follows Is A Bizarre Chain Of Events Involving Eccentric Zamindars, A Decadent Aristocrat With A Passion For Lady Footballers, A Psychic Cartographer, A Haunted Office Building And, At The Centre Of It All, Digital Dutta, Neighbourhood Historian And Keeper Of Secrets. Inspired By The Legend Of The Wandering Jew, This Second Work Of Fiction From India'S Foremost Graphic Novelist Is An Irreverent Tale Of Illicit Sex And Drunken Religiosity, Which Unravels New Riddles With Each Reading.

Churchill Jan 13 2022 “A wholly original and fresh approach to historical biography. Churchill would have been delighted to be a comic book hero!” –Phil Reed, Emeritus Director, Churchill War Rooms This innovative graphic biography of Winston Churchill tells his extraordinary story, from his upbringing, through his military exploits and experience of the First World War, to his pivotal role in the Second World War. It explores the details of Churchill 's life within its historical and political context and brings the story to vivid life with precision, clarity and stunning visuals. With a foreword by Andrew Roberts, the biography is followed by extensive background information. Beautifully drawn, bursting with facts, and highly accessible, this graphic biography will introduce a new generation of readers to Churchill 's incredible career and important legacy. “This biography presents Churchill 's part in this conflict in a detailed yet inventive manner, making this accessible for people of all ages and knowledge.” –Comic-

Watch “A highly original approach, using the comic strip style to tell his story. With magnificent artwork and a lively text, and a foreword by the historian and biography Andrew Roberts, it captures all the drama and excitement of his long life up to the victory over Nazi Germany.”

–Leo McKinstry, author of *Attlee and Churchill* “A full and wholly fair representation of the most adventurous life in the history of British politics . . . there is not a word I would have changed in the text of this excellent graphical account.” –Andrew Roberts, *New York Times*-bestselling author of *Churchill: Walking with Destiny* “A novel and riveting re-telling of the Churchill legend.” –Professor Gary Sheffield

Books by Chester Brown Feb 14 2022 Please note that the content of this book primarily consists of articles available from Wikipedia or other free sources online. Commentary (books not included). Pages: 23. Chapters: Ed the Happy Clown, I Never Liked You, Louis Riel (comics), Paying for It, The Little Man (comics), The Playboy. Excerpt: Ed the Happy Clown is the title character of a comics work by Canadian cartoonist, Chester Brown. The dark, surreal and largely improvised story started with a series of unrelated short comics that Brown soon went on to tie together. Ed is a large-headed, childlike children's clown, who is subjected to one horrifying affliction after another. The story is a dark, humorous mix of genres which includes vampires, pygmy cannibals, Martians, Frankenstein's monster and others. Prominent is its use of scatological humor, nudity, sex, body horror, extreme graphic violence and potentially blasphemous religious imagery. Central to the plot are a man who cannot stop defecating; the head of a miniature Ronald Reagan attached to the head of the protagonist's penis; and a female vampire who seeks revenge on her adulterous lover who murdered her to escape his sins. Originally serialized in Brown's comic book *Yummy Fur*, it was eventually collected in two differing editions by Vortex Comics in 1989 and 1992. The contents of the second edition were re-serialized in 2005-2006 as a nine-issue *Ed the Happy Clown* series from Drawn and Quarterly with extensive end notes. This series and its end notes were collected by the same publisher in 2012. The story has had a substantial influence on a number of alternative cartoonists, and has won a number of awards, including a Harvey. In 2005, *Time* placed it at #7 on its list of the 10 best English-language graphic novels ever. Canadian film director Bruce McDonald has had the rights since 1991 to make an Ed movie, but the project has struggled to get financial backing. In the early 1980s, Brown was in a creative rut until he came across a...

Graphic History Feb 20 2020 When it comes to recounting history, issues arise as to whose stories are told and how reliable is the telling. This collection of fourteen essays explores the unique ways in which graphic novels can aid us in addressing those issues while shedding new light on a variety of texts, including those by canonical North American and European writers Art Spiegelman (Maus, In the Shadow of No Towers), Alan Moore (From Hell, The League of Extraordinary Gentlemen), Frank Miller (The Dark Knight Returns), Chris Ware (Jimmy Corrigan), Chester Brown (Louis Riel), and Harvey Pekar. Recognizing the global appeal of graphic novels, this collection also provides a fresh look at history seen through the eyes of canonical non-Western writers Marjane Satrapi (Persepolis) and Yoshihiro Tatsumi (A Drifting Life) and the highly vexed relationship of the West and the Middle East. The array of contributors (from the fields of art, literature, history, and cultural studies) is matched by the array of theoretical perspectives and by the depth and breadth of subjects, ranging from the sixteenth century voyages of Sebastian Cabot to Jack the Ripper, from the Chicago World's Columbian Exposition of 1893 to lynching in the early twentieth-century American South, and from post-war Japan to the fall of the Shah in Iran.

Louis Riel - Freedom Fighter for the Indigenous Peoples of Canada Canadian History for Kids True Canadian Heroes - Indigenous People Of Canada Edition Dec 12 2021 Louis Riel was a brilliant man who made change happen. He was a Metis leader who played a vital role in bringing Manitoba into the Confederation. He led the resistance to Canadian intrusion on Metis territory. Louis Riel died as a hero to his people. His name is still spoken of and his legacy continues today. Get a copy now.

Ed Vs. Yummy Fur Sep 28 2020 A smart and passionate exegesis of Chester Brown's seminal comic book, Yummy Fur.

Louis Riel Signed Jan 21 2020

Marie-Anne Nov 18 2019 Compulsively readable, this first social history of the opening up of the Canadian West is a triumph of historical detective work and gives us Siggins at the top of her game. While researching the biography of Louis Riel, Maggie Siggins became aware of a figure lurking in the background who had had a profound influence on the great Canadian reformer. This was his grand-mother Marie-Anne Lagimodière, née Gaboury. As Siggins' research progressed, she came to regard Marie-Anne as the most exceptional Canadian woman of the nineteenth century. The perils of Laura Secord and Susanna Moodie paled in comparison, yet she remains largely unknown. Beautiful and rebellious, Marie-Anne was still unmarried at twenty-five – unheard of in 1800s Quebec habitant society. Furthermore, once she did marry Jean-Baptiste Lagimodière, she insisted on accompanying her fur trapper husband to the uncharted wilderness of western Canada. The year was 1807, and no European woman had yet ventured west of the Great Lakes region. For the next thirty years, she would live among the native people or at fur-trading forts from Pembina to Edmonton

House, leading an undoubtedly difficult life but one with freedoms unknown to women in western societies of her time. Drawing from primary sources, Siggins paints a vivid portrait of life in the West, from survival on the plains and bison hunts to the tribal warfare triggered by the fur-trade economy. Through it all, Marie-Anne survived and thrived, living to ninety-six, the matriarch of a large and diverse family whose descendants still live in Manitoba.

The Great Northern Brotherhood of Canadian Cartoonists Oct 18 2019 THE COMPANION GRAPHIC NOVEL TO WIMBLEDON GREEN Whenever you're in Dominion, on Milverton Street you will stumble across an arresting array of handsome old buildings. The one with the pink stone facade and the familiar Canadian cartoon characters over the doorway is the Dominion branch of the Great Northern Brotherhood of Canadian Cartoonists, erected in 1935 and the last standing building of the once prestigious members-only organization. For years, this building, filled with art deco lamps, simple handcrafted wood furniture, and halls and halls of black-and-white portraits of Canada's best cartoonists, was where the professionals of the Great White North's active comics community met—so active that there were outposts in Montreal and Winnipeg, with headquarters in Toronto. Everyone from all branches of the industry—newspaper strips, gag cartoons, nickel-backs, comic books, political art, accordion books, graphic novels—gathered in their dark green blazers to drink cocktails, eat, dance, and discuss all things cartooning. Seth opens up his sketchbook to an unseen world of Canadian comics, sometimes fictional and sometimes not, sometimes humorous and sometimes bittersweet, but always fascinating in its creative exploration of Canadian comics history. Whereas Wimbledon Green celebrated the comics collectors, The Great Northern Brotherhood of Canadian Cartoonists celebrates the cartoonists the comic collectors love.

Louis Riel Jan 25 2023 Chester Brown reinvents the comic book medium to create the critically acclaimed historical biography Louis Riel. Brown won the Harvey Awards for best writing and best graphic novel for his compelling, meticulous, and dispassionate retelling of the charismatic, and perhaps insane, nineteenth-century Metis leader's life. Brown coolly documents with dramatic subtlety the violent rebellion on the Canadian prairie led by Riel, an embattled figure in Canadian history, regarded by some as a martyr who died in the name of freedom, while others consider him a treacherous murderer.

Mary Wept Over the Feet of Jesus Sep 21 2022 The idiosyncratic master Chester Brown continues his thoughts on sex work “The Bible is Chester Brown’s holy harlot. He plumbs the mysteries of her depths while she schools him in the ways of love. Like all of Chester’s work, Mary Wept Over the Feet of Jesus is confounding, yet addictive, instantly re-readable, and expands with revelations in his hundred pages of notes. A work of passion, research, and elegant clarity. My new favourite.”—Craig Thompson, author of Blankets and Habibi “Chester Brown is both God’s and the devil’s gift to the world.”—David Henry Sterry, author of Hos, Hookers, Call Girls and Rent Boys “Chester’s work never fails to surprise and delight me. Since I always enjoy mythic and legendary tales of harlots, I knew I would like Mary Wept Over the Feet of Jesus, but I was pleased and impressed by the way he used all these stories to illustrate a larger theme about humanity’s relationship to Divinity and the role my profession plays in that relationship. Chester shows that spirituality and sexuality, which are so often depicted in our culture as opposed to one another, are actually deeply intertwined.”—Maggie McNeill, author of The Honest Courtesan The iconoclastic and bestselling cartoonist of Paying for It: A comic-strip memoir about being a john and Louis Riel returns and with a polemical interpretation of the Bible that will be one of the most controversial and talked-about graphic novels of 2016. Mary Wept Over the Feet of Jesus is the retelling in comics form of nine

biblical stories that present Chester Brown's fascinating and startling thesis about biblical representations of prostitution. Brown weaves a connecting line between Bathsheba, Ruth, Rahab, Tamar, Mary of Bethany, and the Virgin Mother. He reassesses the Christian moral code by examining the cultural implications of the Bible's representations of sex work. *Mary Wept Over the Feet of Jesus* is a fitting follow-up to Brown's sui generis graphic memoir *Paying for It*, which was reviewed twice in *The New York Times* and hailed by sex workers for Brown's advocacy for the decriminalization and normalization of prostitution. Brown approaches the Bible as he did the life of Louis Riel, making these stories compellingly readable and utterly pertinent to a modern audience. In classic Chester Brown fashion, he provides extensive handwritten endnotes that delve into the biblical lore that informs *Mary Wept Over the Feet of Jesus*.

Paying for It May 17 2022 The critically lauded memoir about being a john, available in paperback for the first time! *Paying for It* was easily the most talked-about and controversial graphic novel of 2011, a critical success so innovative and complex that it received two rave reviews in *The New York Times* and sold out of its first print run in just six months. Chester Brown's eloquent, spare artwork stands out in this paperback edition. *Paying for It* combines the personal and sexual aspects of Brown's autobiographical work (*I Never Liked You*, *The Playboy*) with the polemical drive of *Louis Riel*. He calmly lays out the facts of how he became not only a willing participant in but also a vocal proponent of one of the world's most hot-button topics—prostitution. While this may appear overly sensational and just plain implausible to some, Brown's story stands for itself. *Paying for It* offers an entirely contemporary exploration of sex work—from the timid john who rides his bike to his escorts, wonders how to tip so as not to offend, and reads Dan Savage for advice, to the modern-day transactions complete with online reviews, seemingly willing participants, and clean apartments devoid of cliché d street corners, drugs, or pimps. Complete with a surprise ending, *Paying for It* continues to provide endless debate and conversation about sex work.

Hyena in Petticoats Mar 03 2021 Nellie McClung made an indelible mark on Canada. She was the author of eighteen books, a political activist and social reformer. In every role she played, she demonstrated unflinching courage, wit and resourcefulness, and helped make a better world for women and girls. In the first frames of this brilliant graphic biography, Willow Dawson plunges readers into the rugged world of Canada's western pioneers, taking us into the early life of McClung as the child of homesteaders, and follows her on her path to becoming a teacher, a crusader, a suffragette and eventually the first female Member of Parliament.

Free Pass Jan 01 2021 Huck and Nadia are enjoying their twenties: working in Big Tech and developing an adventurous sex life. Together they fantasize about opening their relationship with a “free pass” to sleep with certain friends or celebrities. It's all in good fun. But Huck is leading a double life. As a national election looms, he grows more and more uncomfortable with his company's unelected authority over internet discourse. When the couple receives a bizarre gift—a cutting-edge humanoid sex AI that can morph into anyone—their worlds of fantasy, trust, and consent are thrown into blissful chaos. In a society growing more divided each day, Huck struggles with the pressure to uphold boundaries at work... while everything is collapsing at home. Julian Hanshaw follows his acclaimed graphic novels *Tim Ginger* and *Cloud Hotel* with an intoxicating new tale of liberty, privacy, and shame, set in the sticky place where sex, politics, and technology come together.

Ed the Happy Clown Oct 22 2022 A long-out-of-print classic by a master of underground comics In the late 1980s, the idiosyncratic Chester Brown (author of the much-lauded *Paying*

For It and Louis Riel) began writing the cult classic comic book series Yummy Fur. Within its pages, he serialized the groundbreaking Ed the Happy Clown, revealing a macabre universe of parallel dimensions. Thanks to its wholly original yet disturbing story lines, Ed set the stage for Chester Brown to become a world-renowned cartoonist. Ed the Happy Clown is a hallucinatory tale that functions simultaneously as a dark roller-coaster ride of criminal activity and a scathing condemnation of religious and political charlatanism. As the world around him devolves into madness, the eponymous Ed escapes variously from a jealous boyfriend, sewer monsters, the Royal Canadian Mounted Police, and a janitor with a Jesus complex. Brown leaves us wondering, with every twist of the plot, just how Ed will get out of this scrape. The intimate, tangled world of Ed the Happy Clown is definitively presented here, repackaged with a new foreword by the author and an extensive notes section, and, as with every Brown book, astonishingly perceptive about the zeitgeist of its time.

History in the Gutters: A Critical Examination of Chester Brown's "Louis Riel: A Comic-Strip Biography". Jun 18 2022 In Chester Brown's *Louis Riel: A Comic-Strip Biography*, the enigmatic nineteenth-century Metis leader is represented in ways that negotiate the binary-challenging nature of his historical persona. The concepts of hybridity and image-text are vital to my reading of the book, which I designate as a "bio-graphic narrative": a hybrid form of biography and graphic (comics) narrative.

Chester Brown Aug 20 2022 The early 1980s saw a revolution in mainstream comics—in subject matter, artistic integrity, and creators' rights—as new methods of publishing and distribution broadened the possibilities. Among those artists utilizing these new methods, Chester Brown (b. 1960) quickly developed a cult following due to the undeniable quality and originality of his *Yummy Fur* (1983-1994). *Chester Brown: Conversations* collects interviews covering all facets of the cartoonist's long career and includes several pieces from now-defunct periodicals and fanzines. It also includes original annotations from Chester Brown, provided especially for this book, in which he adds context, second thoughts, and other valuable insights into the interviews. Brown was among a new generation of artists whose work dealt with decidedly nonmainstream subjects. By the 1980s comics were, to quote a by-now well-worn phrase, "not just for kids anymore," and subsequent censorious attacks by parents concerned about the more salacious material being published by the major publishers—subjects that routinely included adult language, realistic violence, drug use, and sexual content—began to roil the industry. *Yummy Fur* came of age during this storm and its often-offensive content, including disembodied, talking penises, led to controversy and censorship. With Brown's highly unconventional adaptations of the Gospels, and such comics memoirs as *The Playboy* (1991/1992) and *I Never Liked You* (1991-1994), Brown gradually moved away from the surrealistic, humor oriented strips toward autobiographical material far more restrained and elegiac in tone than his earlier strips. This work was followed by *Louis Riel* (1999-2003), Brown's critically acclaimed comic book biography of the controversial nineteenth-century Canadian revolutionary, and *Paying for It* (2011), his best-selling memoir on the life of a john.

Gene Kiniski Feb 02 2021 Gene Kiniski (1928-2010) was internationally known to a generation of wrestling fans and to Canadians everywhere as "Canada's Greatest Athlete." Older fans and wrestling historians remember him best for his accomplishments in the ring, his run-'em-over approach to the game, his growly demeanor, and his razor wit he could unleash at will. Drawing on recollections from fellow wrestlers, promoters, and friends, this first biography of Kiniski gives a full account of the life of a champion pro wrestler who won over fans throughout the United States, Canada, and Japan in a career spanning more than three decades.

War Bears Oct 10 2021 From the Booker Prize-winning author of *The Handmaid's Tale*, comes this historical fiction graphic novel tracing the Golden Age of Canadian comic books. Collects *War Bears* issues #1-3. Oursonette, a fictional Nazi-fighting superheroine, is created at the peak of World War II by comic book creator Al Zurakowski who dreams of making it big in the early world of comics publishing. A story that follows the early days of comics in Toronto, a brutal war that greatly strains Al personally and professionally, and how the rise of post-war American comics puts an end to his dreams. Internationally and New York Times best-selling novelist Margaret Atwood and acclaimed artist Ken Steacy collaborate for one of the most highly anticipated comic book and literary events!

The Hypo Jul 07 2021 The debut graphic novel from Noah Van Sciver follows the twentysomething Abraham Lincoln as he loses everything, long before becoming our most beloved president. Lincoln is a rising Whig in the state's legislature as he arrives in Springfield, IL to practice law. With all of his possessions under his arms in two saddlebags, he is quickly given a place to stay by a womanizing young bachelor who becomes his friend and close confidant. Lincoln builds a life and begins friendships with the town's top lawyers and politicians. He attends elegant dances and meets an independent-minded young woman from a high-society Kentucky family, and after a brisk courtship, becomes engaged. But, as time passes and uncertainty creeps in, young Lincoln is forced to battle a dark cloud of depression brought on by a chain of defeats and failures culminating into a nervous breakdown that threatens his life and sanity.

The Little Man Apr 04 2021 This is a collection of Chester Brown's comic strips published from the beginning of his adult period and onward. Some featured stories in this text are: "Helder," "Showing Helder," "The Twin," "My Mom was a Schizophrenic," "Knock-Knock," and many others

History in the Gutters Nov 23 2022

Joseph Smith and the Mormons Jun 06 2021 Decades in the making and already generating advance praise, an original graphic novel biography about the life of Joseph Smith, founder of the Church of Latter-Day Saints In *Joseph Smith and the Mormons*, author and illustrator Noah Van Sciver, who was raised a Mormon, covers one of history's most controversial figures, Joseph Smith—who founded a religion which is practiced by millions all over the world. The book discusses all of the monumental moments during Smith's life, including the anti-Mormon threats and violence which caused his followers to move from New York to Ohio, Smith's receiving the divine commandment of plural marriage, his imprisonment, his announcement to run for president of the United States, and his ultimate murder by an angry mob in 1844 at the young age of 38. With a respectful and historical approach, and strikingly illustrated, this graphic novel is the ultimate book for those curious about the origins of the Mormon faith and the man who started it all.

It's a Good Life, If You Don't Weaken May 05 2021 In his first graphic novel, *It's a Good Life, if You Don't Weaken*—one of the best-selling D+Q titles ever--Seth pays homage to the wit and sophistication of the old-fashioned magazine cartoon. While trying to understand his dissatisfaction with the present, Seth discovers the life and work of Kalo, a forgotten New Yorker cartoonist from the 1940s. But his obsession blinds him to the needs of his lover and the quiet desperation of his family. Wry self-reflection and moody colours characterize Seth's style in this tale about learning lessons from nostalgia. His playful and sophisticated experiment with memoir provoked a furious debate among cartoon historians and archivists about the existence of Kalo, and prompted a *Details* feature about Seth's "hoax".

Little Man Jul 19 2022 "One of the medium's brilliant mavericks." – time.com The Little Man: Short Strips, 1980-1995 is a collection of short-story works by the celebrated and bestselling Louis Riel cartoonist Chester Brown. From his early experimental comedic surrealism to his later autobiographical and essay strips, we see not a major talent in development but a fully realized storytelling virtuoso. Included are his early autobiographical stories "Helder" (a story about a young man's tentativeness when pursuing a woman), "Showing Helder" (a blow-by-blow account of the construction of the previous story), and "Danny" (a strangely compelling moment-by-moment account of Brown waking up and trying to avoid contact with a fellow rooming-house tenant). Other standouts are Brown's controversial essay on schizophrenia (specifically his own mother's) and various medical views on this baffling disease, and the title story, "The Little Man," a Freudian classroom romp fantasy by a adolescent Brown that ties into the schizophrenia essay in a surprising way. The acclaimed compendium, culled mostly from his groundbreaking comic book series Yummy Fur, provides a fascinating insight into Brown's psyche; he rounds out the collection with exacting notes on each story.

Reading With Pictures Sep 09 2021 Comics have gone from "scourge of the classroom" to legitimate teaching tools, and the Common Core State Standards for scholastic achievement now explicitly recommend their use in the classroom. Reading With Pictures: Comics That Make Kids Smarter unites the finest creative talents in the comics industry with the nation's leading experts in visual literacy to create a game-changing tool for the classroom and beyond. This full-color volume features more than a dozen short stories (both fiction and nonfiction) that address topics in Social Studies, Math, Language Arts, and Science, while offering an immersive textual and visual experience that kids will enjoy. Highlights include George Washington: Action President by Fred Van Lente and Ryan Dunlavey, Doctor Sputnik: Man of Science by Roger Langridge, The Power of Print by Katie Cook, and many more. Includes a foreword by Printz and Eisner Award-winning author Gene Luen Yang (American Born Chinese, Boxers and Saints). A downloadable Teachers' Guide includes standards-correlated lesson plans customized to each story, research-based justifications for using comics in the classroom, a guide to establishing best classroom practices, and a comprehensive listing of educational resources.

The Canadian Alternative Mar 15 2022 Contributions by Jordan Bolay, Ian Brodie, Jocelyn Sakal Froese, Dominick Grace, Eric Hoffman, Paddy Johnston, Ivan Kocmarek, Jessica Langston, Judith Leggatt, Daniel Marrone, Mark J. McLaughlin, Joan Ormrod, Laura A. Pearson, Annick Pellegrin, Mihaela Precup, Jason Sacks, and Ruth-Ellen St. Onge This overview of the history of Canadian comics explores acclaimed as well as unfamiliar artists. Contributors look at the myriad ways that English-language, Francophone, Indigenous, and queer Canadian comics and cartoonists pose alternatives to American comics, to dominant perceptions, even to gender and racial categories. In contrast to the United States' melting pot, Canada has been understood to comprise a social, cultural, and ethnic mosaic, with distinct cultural variation as part of its identity. This volume reveals differences that often reflect in highly regional and localized comics such as Paul MacKinnon's Cape Breton-specific Old Trout Funnies, Michel Rabagliati's Montreal-based Paul comics, and Kurt Martell and Christopher Merkley's Thunder Bay-specific zombie apocalypse. The collection also considers some of the conventionally "alternative" cartoonists, namely Seth, Dave Sim, and Chester Brown. It offers alternate views of the diverse and engaging work of two very different Canadian cartoonists who bring their own alternatives into play: Jeff Lemire in his bridging of Canadian/US and mainstream/alternative sensibilities and Nina Bunjevack in her own blending of realism and

fantasy as well as of insider/outsider status. Despite an upsurge in research on Canadian comics, there is still remarkably little written about most major and all minor Canadian cartoonists. This volume provides insight into some of the lesser-known Canadian alternatives still awaiting full exploration.

Chester Brown Mar 23 2020 The early 1980s saw a revolution in mainstream comics--in subject matter, artistic integrity, and creators' rights--as new methods of publishing and distribution broadened the possibilities. Among those artists utilizing these new methods, Chester Brown quickly developed a cult following due to the undeniable quality and originality of his *Yummy Fur*. *Chester Brown: Conversations* collects interviews covering all facets of the cartoonist's long career and includes several pieces from now-defunct periodicals and fanzines. Brown was among a new generation of artists whose work dealt with decidedly nonmainstream subjects. By the 1980s comics were not just for kids anymore and subsequent censorious attacks by parents concerned about the more salacious material being published by the major publishers--subjects that routinely included adult language, realistic violence, drug use, and sexual content--began to roil the industry. *Yummy Fur* came of age during this storm and its often-offensive content, including dismembered, talking penises, led to controversy and censorship. With Brown's highly unconventional adaptations of the Gospels, and such comics memoirs as *The Playboy* and *I Never Liked You*, Brown gradually moved away from the surrealistic, humor-oriented strips toward autobiographical material far more restrained and elegiac in tone than his earlier strips. This work was followed by Louis Riel, Brown's critically acclaimed comic book biography of the controversial nineteenth-century Canadian revolutionary, and *Paying for It*, his best-selling memoir on the life of a john

The Audacity of His Enterprise Nov 11 2021 Shining a spotlight on the life, vision, and cultivation of one of Canada's most influential historical figures.

I Never Liked You Jul 27 2020 A harrowing memoir of loss and the struggle to connect, Brown's story is told with a spare poetic elegance. A self-absorbed teenager, Chester Brown strays into the difficult territory of friendship and early love while at home there is a slowly building crisis over his mother's mental health. Emotionally intense, the story veers unsteadily between the extremes of eerie detachment and sudden desperate outbursts of need. A complex and disturbing true story told with a nuanced, queasy visual style that lingers in the mind long after the book has been put away.

An American Demon Dec 20 2019 *An American Demon* is Jack Grisham's story of depravity and redemption, terror and spiritual deliverance. While Grisham is best known as the raucous and provocative front man of the pioneer hardcore punk band TSOL (True Sounds of Liberty), his writing and true life experiences are physically and psychologically more complex, unsettling, and violent than those of Bret Easton Ellis and Chuck Palahniuk. Eloquently disregarding the prefabricated formulas of the drunk'to'sober, bad'to'good tale, this is an entirely new kind of life lesson: summoned through both God and demons, while settling within eighties hardcore punk culture and its radical'to'the'core (and most assuredly non'evangelical) parables, Grisham leads us, cleverly, gorgeously, between temporal violence and bigger-picture spirituality toward something very much like a path to salvation and enlightenment. *An American Demon* flourishes on both extremes, as a scary hardcore punk memoir and as a valuable message to souls navigating through an overly materialistic and woefully self-absorbed "me first" modern society. *An American Demon* conveys anger and truth within the perfect setting, using a youth rebellion that changed the world to open doors for this level of brash destruction. Told from the point of view of a seminal member of the American Punk

movement ' doused in violence, rebellion, alcoholism, drug abuse, and ending with beautiful lessons of sobriety and absolution ' this book is as harrowing and life-affirming as anything you're ever going to read.

Becoming Andy Warhol Nov 30 2020 Celebrated during his lifetime as much for his personality as for his paintings, Andy Warhol (1928-87) is the most famous and influential of the Pop artists, who developed the notion of 15 minutes of fame, and the idea that an artist could be as illustrious as the work he creates. This graphic novel biography offers insight into the turning point of Warhol ' s career and the creation of the Thirteen Most Wanted Men mural for the 1964 World ' s Fair, when Warhol clashed with urban planner Robert Moses, architect Philip Johnson, and Governor Nelson Rockefeller. In *Becoming Andy Warhol*, New York Times bestselling writer Nick Bertozzi and artist Pierce Hargan showcase the moment when, by stubborn force of personality and sheer burgeoning talent, Warhol went up against the creative establishment and emerged to become one of the most significant artists of the 20th century.

Pemmican Wars May 25 2020 Echo Desjardins, a 13-year-old M é tis girl adjusting to a new home and school, is struggling with loneliness while separated from her mother. Then an ordinary day in Mr. Bee ' s history class turns extraordinary, and Echo ' s life will never be the same. During Mr. Bee ' s lecture, Echo finds herself transported to another time and place—a bison hunt on the Saskatchewan prairie—and back again to the present. In the following weeks, Echo slips back and forth in time. She visits a M é tis camp, travels the old fur-trade routes, and experiences the perilous and bygone era of the Pemmican Wars. *Pemmican Wars* is the first graphic novel in a new series, *A Girl Called Echo*, by Governor General Award-winning writer, and author of *Highwater Press ' The Seven Teaching Stories*, Katherena Vermette.

The Playboy Dec 24 2022 D&Q's first ever graphic novel, published in 1992, this is an excellent companion to *I Never Liked You*. Stark and expressionistic, this is Chester Brown's frank and unsettling account of first his adolescent and then adult relationship with pornography. It begins in 1975 with an abandoned copy of *Playboy*..

Paying For It : A Comic-Strip Memoir About Being A John Apr 23 2020 '[A] clear-eyed, not-even-slightly-erotic, compulsively readable, sometimes painfully honest account of his time, reasons and experiences paying for sex...[W]ill engage your mind and force you to think about things in ways you may never have done before.'-Neil Gaiman **A CONTEMPORARY DEFENCE OF THE WORLD'S OLDEST PROFESSION** *Paying For It* is a natural progression for Brown as it combines the personal and the sexual aspects of his autobiographical work with the polemical drive of *Louis Riel*. Brown calmly lays out the facts for us of how he became, not only a willing participant, but a vocal proponent of one of the world's most hot-button topics—prostitution. While this may appear overtly sensational and just plain implausible to some, Brown's story stands for itself. *Paying For It* offers an entirely contemporary exploration of sex work from the timid John who rides his bike to his escorts, and reads Dan Savage for advice, to the modern-day transactions complete with online reviews, seemingly willing participants, and clean apartments devoid of clichéd depictions of street corners, drugs, or pimps.

The Playboy Oct 30 2020 A memoir of shocking honesty by the graphic novelist behind 2011's acclaimed comic *Paying for It* As with every Chester Brown book, *The Playboy*—originally published in 1992—was ahead of its time, illustrating the fearlessness and prescience of the iconoclastic cartoonist. A memoir about Brown's adolescent sexuality and shame, *The Playboy* chronicles his teenage obsession with the magazine of the same name, but it's also a work that explores the physical form of comics to their fullest storytelling capacity. In it, a fifteen-year-old

Chester is visited by a time-traveling adult Chester, and the latter narrates the former's compulsion to purchase each issue of Playboy as it appears on newsstands. Even more fascinating than his obsession with the magazine is his need to keep his habit secret and the resulting lengths to which he goes to avoid detection by his family and, later, his girlfriends. The comics that became The Playboy first appeared in issues of Brown's controversial, groundbreaking comic Yummy Fur more than twenty years ago, and yet the frankness of the work makes it seem avant-garde even now. As in every work by this master cartoonist, The Playboy uses no extra words, no extra panels, no extra lines, conveying environment and emotion through perfectly chosen moments. Fans of his acclaimed and controversial memoir Paying for It are sure to be drawn in by this early autobiographical portrait of blazing honesty. The expanded reissue includes all-new appendixes and notes from the author.
