Cadillac 1938 - 1954 Part Interchange Manual

Oct 16 2022 This 1938-1954 parts interchange manual is a must if working on your major U.S. car or restoring it! A true guide unlike others that only list places to buy parts and do not identify the interchangeability of parts. A must for every restoration and / or maintenance project saving money and research time! This manual has been designed to help you in the identification and purchase of original equipment parts. It should save you many hours of time locating the parts you need. With this manual you will know exactly what parts from which vehicles are identical. There may be no need to pay a high price for a supposedly rare part when it may be identical to many other parts. This manual covers all major makes of cars for the years of 1938 thru 1954 including: Buick, Cadillac, Chevrolet, Chrysler, Crosley, Desoto, Dodge, Ford, Frazer, Henry J, Hudson, Kaiser, Lafayette, LaSalle, Lincoln, Mercury, Nash, Oldsmobile, Packard, Plymouth, Pontiac, Studebaker, Terraplane, and Willys. Sections include engines, transmissions, cooling systems, fuel pumps, ignition system, clutch, front and rear axles, bearings, brakes, rivets, generator and starter, and universal joints. Body parts and glass are not included.
