Isaiah Homiletics Workbook Feb 02 2021 Homiletics can be done on any book of the Bible, and any chapter of the Bible. It is a way to break down the Scripture to understand it's meaning. First, as God Himself said in His Word one must have the Holy Spirit to understand the Scripture. In II Corinthians 2:14 the Lord talks about the man without the Spirit of God indwelling him or her and how they are Spiritually discerned. So, the first step in understanding God's Word is to have Him through His Holy Spirit indwelling you. The Scripture is very clear about how this is done, there is only One way. In John 14, Jesus says, "I am the Way, the Truth and the Life and no man can come to the Father except through Me." Belief in the Lord Jesus Christ as being God's perfect Lamb who has taken away the sin of the world is the only way one can be saved from the wrath of God and have His Spirit come to dwell within. Once you have His Holy Spirit indwelling you, then you have the One who wrote it living inside you to teach you its exact meaning and how to apply the Holy Scriptures to your life. Homiletics is an excellent way to spend time with the Father and let Him teach you his word. In doing Homiletics you will break the passage down into content, division sentences, a subject sentence, an overall aim of this passage, and then application questions to apply the Scripture to your life.

The Workbook Jan 13 2022 This workbook is designed to confront you with heartfelt questions to make you consider your relationship with God. Repentance is the first step to repairing and maintaining the relationship. This workbook along with the book, "Why America Needs to Repent", is designed to confront the reader with Biblical truths that cannot lay dormant. They must be addressed. It helps the reader in their personal conversation with God. Sin separates us from God the same way the misbehavior of a child may cause a temporary rift in a parent-child relationship. This is why we must repent daily. We must constantly desire a closer relationship with God and intentionally turn away from anything and everything that may get in the way. The life of Judas Iscariot gives us a good look at our humanity and where repentance could possibly play a role. In this workbook, you will have many conversations. What is the mark of a true Christian? The fruits of the Spirit are diverse, but they are the same. How does God hold us accountable when we misuse other people? What happens when sin is ignored? What sins are an abomination to God? What are some multi-dimensional manifestations of God? Is it really possible to give thanks to God during our toughest trials? Why do you think the story of the rich man that found himself in hell is included in the Bible? The most important question of all at the end of each chapter is, "After studying this chapter, what am I going to do differently?"
