THERE'S NO PLACE LIKE HOME... On the eve of her graduation from an exclusive private school, shy wallflower Semantha Heavenstone is caught in a whirl of scandal and betrayal. Now, she's returned to the grand Kentucky mansion where painful memories of her mother and her older sister, Cassie, are as potent as newly mown bluegrass. It seems no matter where she goes, Semantha is haunted by a voice from the grave -- spiteful, domineering Cassie, whose taunts and manipulations seem as real as when she was alive. ...AND NO END TO THE NIGHTMARE
Soon her father will remarry, new memories -- and a new stepmother -- will replace the past...and Semantha herself has a chance at a bright future with a career inside the Heavenstone empire and handsome Ethan Hunter by her side. But someone will see to it that Semantha never forgets the tragedies of yesterday. Will Cassie's ghostly hold on Semantha destroy her hope and drive her to madness? A WHOLE NEW REASON TO

MIND THE GAP It begins with a dead body at the far end of Baker Street tube station, all that remains of American exchange student James Gallagher—and the victim’s wealthy, politically powerful family is understandably eager to get to the bottom of the gruesome murder. The trouble is, the bottom—if it exists at all—is deeper and more unnatural than anyone suspects . . . except, that is, for London constable and sorcerer’s apprentice Peter Grant. With Inspector Nightingale, the last registered wizard in England, tied up in the hunt for the rogue magician known as “the Faceless Man,” it’s up to Peter to plumb the haunted depths of the oldest, largest, and—as of now—deadliest subway system in the world. At least he won’t be alone. No, the FBI has sent over a crack agent to help. She’s young, ambitious, beautiful . . . and a born-again Christian apt to view any magic as the work of the devil. Oh yeah—that’s going to go well. Nina had just missed her one chance to be on the hottest TV talent show around—Singing Superstar! But then fate intervened and provided another stage for her to show off her talent, a stage far from the TV cameras. Some say that fame comes at a price. Nina was about to find out just how high that price can be! THERE'S NO PLACE LIKE HOME... On the eve of her graduation from an exclusive private school, shy wallflower Samantha Heavenstone is caught in a whirl of scandal and betrayal. Now, she's returned to the grand Kentucky mansion where painful memories of her mother and her older sister, Cassie, are as potent as newly mown bluegrass. It seems no matter where she goes, Samantha is haunted by a voice from the grave -- spiteful, domineering Cassie, whose taunts and manipulations seem as real as when she was alive. ...AND NO END TO THE NIGHTMARE Soon her father will remarry, new memories -- and a new stepmother -- will replace the past...and Samantha herself has a chance at a bright future with a career inside the Heavenstone empire and handsome Ethan Hunter by her side. But someone will see to it that Samantha never forgets the tragedies of yesterday. Will Cassie's

ghostly hold on Samantha destroy her hope and drive her to madness? Diabolical Quest (Doomed Cases Book 2) Maxine Brodeur is working hard to stay out of trouble these days, running her private detective agency with business partner Ricky and still drinking way too much tequila, until something from her past comes back to hunt her down. She is hired by an old friend Ronan to track down his son The Nameless Thief, a man that has managed to steal a private collection of royal letters that were left in Ronan's possession. Unfortunately this only Royal correspondence that Nameless took from his father, he also obtained a letter that Max had written to Arthur, in which she revealed the whole truth about her disappearance from two years ago. The letter that she didn't even know existed. From then on Max is sucked back into royal affairs, and must get to Nameless before he realises what he has in his possession. Pairing up once again teaming up with deliciously sexy detective Quinton. They will both face many ups and downs, trying to resist their explosive attraction, while the future King has his own agenda in mind. Will Max chose right man this time and will she be able to prevent her secret being exposed? For 150 years the magnificent Scarlett Hall has stood proud. However, the secrets it holds threaten to destroy it and the family who lives within. At the age of one and twenty, Widow Isabel Barnet has returned to seek refuge in her family's ancestral home of Scarlett Hall. Having experienced heartbreak and vowing to never love again, Isabel has now resigned herself to minding her younger sisters and forever remaining alone. That is until one day when her mother makes a request...Laurence Redbrook, Duke of Ludlow, feels half a man compared to others; the limp he received after a tragic accident is proof of that. Understanding that the ton whispers behind his back--and no woman would ever view him with interest--he remains alone at his estate. That is, until an important letter arrives requesting his aid.As Isabel and Laurence are joined into a marriage of convenience, Isabel begins to search for a way to escape from

both a man she does not love and the secrets in her heart that threaten to destroy her. And Laurence must decide if the love he feels for Isabel is enough for her to see him as the man he wishes to be rather than the burden she is forced to carry. *Whispers of Light* is the exciting first book in the new Secret of Scarlett Hall series. Each novel is filled with mystery and secrets that will keep you guessing with every turn of the page to see if this hero and heroine receive their happily ever after. *Silent Laughters, Hidden Whispers* is a wonderful collection of short stories which gives a true understanding of the contemporary human psyche. It shows life as it is and makes us reflect on life as it should be. Premji has used the medium to bring out the angst in his soul, the fire to cleanse society and make better humans out of beings. Every story from this collection is captivating mainly because of his unique and inimitable style, where he is a part of every tale and weaves it around him; he takes us on a journey where we meet people, situations, and daily events seemingly so ordinary turn extraordinary, like water to wine, when told as a story by him. Many of the stories act to remind us of how true inner happiness is the only way to bring happiness into the life of those around us. Each story lifts a veil and lets us see life with a more clear vision. The author has a moral, a lesson or at least a thought for everyone at the end of his stories; they never fail to shake us out of our ideal, impassioned reverie. From the author of *The Last Garden in England* and *The Light Over London* comes a "gripping tale by a writer at the top of her game" (Fiona Davis, author of *The Chelsea Girls*) following three friends who struggle to remain loyal as one of them is threatened with internment by the British government at the start of World War II. In August of 1939, as Britain watches the headlines in fear of another devastating war with Germany, three childhood companions must choose between friendship and country. Erstwhile socialite Nora is determined to find her place in the Home Office's Air Raid Precautions Department, matchmaker Hazel tries to mask two closely guarded

secrets with irrepressible optimism, and German expat Marie worries that she and her family might face imprisonment in an internment camp if war is declared. When Germany invades Poland and tensions on the home front rise, Marie is labeled an enemy alien, and the three friends find themselves fighting together to keep her free at any cost. Featuring Julia Kelly's signature "intricate, tender, and convincing" (Publishers Weekly) prose, *The Whispers of War* is a moving and unforgettable tale of the power of friendship and womanhood in the midst of conflict. If she was already in danger, even the slightest amount, she might as well know everything she could... "Tell me." As part of the lowest rank in her society, Ellia has grown accustomed to the fact that she can never learn of the secrets, despite how much she wishes. However, one day, something strange happens, leading to a secret being revealed to her. As she uncovers more secrets, each one puts her in more danger than the last. She discovers one last secret, a secret so dark and well hidden, that even the cats closest to the powerful leader - the Overseer, are not aware of. Now, she must be the one to keep secrets and hide what she knows.

All About Them (Love & Hate #3) Jacob & Dora story

Years ago when Dad decided to remarry after he divorced Mum, he moved to London. When I graduated from Braxton University he asked me to work for him. I had just ended things with Jacob, the man that I loved, and I didn't know what to do with myself. Things were difficult, and I was drowning. Jacob attracted media attention as a part of the England national rugby team. I haven't seen him for five years, and I often wonder how it would be if we were still together. I'm all alone . . . Please come find me! When Maddie opens her notebook in class, she sees these words scrawled in blood-red ink on every page. When the same words mysteriously appear on the classroom chalkboard, Maddie begins to realize that someone—or something—in her new school is trying to contact her. Not long after, Maddie hears mysterious footsteps in an empty school corridor. Most frightening of all,

Maddie feels ghostly hands pulling on her body when she dives into the school swimming pool. Could these frightening incidents have anything to do with one of Lakeside School's pupils who disappeared without a trace many decades ago? Follow Maddie as she searches for answers and dares to solve a terrible mystery that has haunted her school. The Ghostly Secret of Lakeside School is part of Bearport's Cold Whispers II series. This bone-chilling book is the fiction companion to Spooky Schools from Bearport's best-selling nonfiction series Scary Places. Teri meets three incredible men in Maui...but which one is the man of her dreams? Teri Moreno went to Maui hoping to start one special relationship. But romance takes a complicated twist when the Spanish teacher from Glenbrooke, Oregon, finds herself enjoying the attentions of three men: the handsome marine biologist who called her back to the islands; a charming old crush from high school; and a clumsy, endearing Australian with a wild past. Swept up by her feelings, yet determined to make the right choice, Teri makes powerful discoveries about God's law and His grace in this new release of Whispers, now book two in the heartwarming Glenbrooke series from Robin Jones Gunn. Herein lie a series of dialogues between a True Master and an Authentic Student. The Master has devoted his life to unraveling the secret cures to the ills that plague every human being. Put simply, the Master has discovered The Truth. The Truth about freedom from anxiety, curing emotional pain, achieving true success, attaining clarity, cultivating wisdom, mastering relationships, gaining complete control of one's mind, and so on. The Master speaks the raw truth. And the raw truth has no place for trite things such as prescriptions, how-to's, and cosmetic and ineffective remedies. This book is for those who are serious. Lily Larsen has never been afraid of anything, yet the effects of the war are wearing her down. Her beautiful home in Cades Cove, Tennessee, lies deep in the Smoky Mountains. For decades, her family has farmed and lived peacefully, until the soldiers came and made every day a

struggle to survive. Whether they wear gray or blue, the men in uniform arrive unexpectedly and take whatever they want. Not only do they steal food and livestock, but some believe they can help themselves to anything they desire. Lily now has something to fear. Caleb Henry is running from his own battles, bleeding and broken. He seeks refuge in the cove and literally runs into Lily. Because he's injured, she shows compassion and sneaks him into her cabin, trusting her folks to tend him. But there's more to Caleb than they see on the surface. His arrival changes their lives, and what happens going forward can never be undone. A 90-minute audio cassette and booklet that is a companion to 314102 - Speak with Distinction (Cloth Book). They make people uncomfortable and anxious. They can spread innocent words and they can infect the mind with hatred and lies. They can be a sign of secrecy or a symptom of utter madness...From Stuart Keane comes a collection of short stories. Featuring a foreword from Catt Dahman, Whispers brings you nine horrific tales...previously published but brought together for the very first time. This is terror experienced by ordinary people in ordinary circumstances, when their mundane lives spiral out of control and become something a little more sadistic. In this collection of horrific tales, we meet: A scorned wife with bloody vengeance on her mind; an expecting but unwilling mother whose foetus has other ideas; Tommy and his closet, which holds a dark secret; a couple who fall in love on Halloween...or do they?; a psychopath whose evening is interrupted by the end of the world; a paraplegic on a deadly train ride to nowhere, and a mutilated clown with a violent score to settle. Whispers - sometimes we hear them, but they definitely hear us. Please note: This is a companion version & not the original book. For Olivia Shaw, the danger of her assignments as a deadly Whisper agent is matched only by that of her hidden status: Liv is one of the caricae, extremely rare women capable of bearing children and therefore controlled by the Syndicate's government. When her handler sends her into the Quillian Empire, her mission is complicated by stumbling upon a kidnapping in progress. Liv is drawn deep into political upheaval when her hostage is revealed to be the infamous Red Wolf, Galen De Corvus, brother of the

Quillian Empress. Worse yet, he is an altus, more sensitive than most to the pheromones of caricae. If he realizes what she is, he could expose her secret to either government and doom her to a life as breeding stock. Quillian nobleman turned operative Galen never planned to involve himself with a citizen of the cold, cruel Syn, but Olivia entices him more than she should. As they work together to protect his royal sister from a violent coup, the passionate bond between them proves to be more than mere biology. And Liv must decide if that bond is worth dropping her guard for both an enemy and an altus. This book is approximately 122,000 words One-click with confidence. They enslaved humanity not by force, but through an aggressive mind control that turned people into contented, unquestioning robots. Except sixteen-year-old Althea isn't content at all, and she doesn't need the mysterious note inside her locket to tell her she's Something Else. It also warns her to trust no one, so she hides the pieces that make her different, even though it means being alone. The autumn she meets Lucas, everything changes. Althea and Lucas are immune to the alien mind control, and together they search for the reason why. What they uncover is a stunning truth the Others never anticipated, one with the potential to free the brainwashed human race. It's not who they are that makes them special, but what. And what they are is a threat. One the Others are determined to eliminate for good. First in a dazzling new historical mystery series featuring Ruby Proulx, a psychic with a questionable past who suddenly finds her future most uncertain... Canada, 1898. The only life Ruby Proulx has ever known is that of a nomad, traveling across the country with her snake-oil salesman father. She dreams of taking root somewhere, someday, but, until she can, she makes her way by reading tarot cards. Yet she never imagined her own life would take such a turn... After one of her father's medical "miracles" goes deadly wrong, Ruby evades authorities by hiding in the seaside resort town of Old Orchard, Maine, where her estranged aunt, Honoria, owns the Hotel Belden, a unique residence that caters to Spiritualists—a place where Ruby should be safe as long as she can keep her dark secret hidden. But Ruby's plan begins to crumble after a psychic investigator checks into the hotel and senses Ruby is hiding more than she's letting on. Now Ruby must do what she can to escape both his attention and Aunt Honoria's insistence that she has a true gift, before she loses her precious new home and family forever...
