"I can't just storm in and proclaim my intentions. I can't 'steal' you away. I just have to wait and hope that, someday, you'll ask," Tamani said. "And if I don't?" Laurel said, her voice barely above a whisper. "Then I guess I'll be waiting forever." Although Laurel has come to accept her true identity as a faerie, she refuses to turn her back on her human life—and especially her boyfriend, David—to return to the faerie world. But when she is summoned to Avalon, Laurel's feelings for the charismatic faerie sentry Tamani are undeniable. She is forced to make a choice—a choice that could break her heart. Destined delivers all the romance and action that fans expect as it brings Aprilynne Pike's Wings series to a deeply satisfying conclusion. Laurel used to think she was an ordinary girl from Crescent City, California. She never would have believed she was truly a faerie from a realm called Avalon. Now Laurel must risk her life to save Avalon from destruction by Yuki—a rare and powerful Winter faerie—and troll-hunter Klea. But Laurel won't have to fight alone; David and Tamani, two boys she loves in different ways, will be by her side, along with her best friend, Chelsea. Readers of the Need and Graceling series will want to follow Laurel's story from its beginning in Wings to its heart-stopping end in Destined. Sultry, seductive, irresistible . . . welcome to Carrefour. "Sullivan's Dolls call to mind the Cullen clan, and the setting has echoes of the Beautiful Creatures books. . . . "Who better to raise teens' awareness of mental illness and health than the YA authors they admire?" —Booklist (starred review) "[A] much-needed, enlightening book." —School Library Journal (starred review) Your favorite YA authors including Ellen Hopkins, Maureen Johnson, and more recount their own experiences with mental health in this raw, real, and powerful collection of essays that explores everything from ADD to PTSD. Have you ever felt like you just couldn't get out of bed? Not the occasional morning, but every day? Do you find yourself listening to a voice in your head that says "you're not good enough," "not good looking enough," "not thin enough," or "not smart enough"? Have you ever found yourself unable to do homework or pay attention in class unless everything is "just so" on

your desk? Everyone has had days like that, but what if you have them every day? You're not alone. Millions of people are going through similar things. However issues around mental health still tend to be treated as something shrouded in shame or discussed in whispers. It's easier to have a broken bone—something tangible that can be "fixed"—than to have a mental illness, and easier to have a discussion about sex than it is to have one about mental health. Life Inside My Mind is an anthology of true-life events from writers of this generation, for this generation. These essays tackle everything from neurodiversity to addiction to OCD to PTSD and much more. The goals of this book range from providing a home to those who are feeling alone, awareness to those who are witnessing a friend or family member struggle, and to open the floodgates to conversation.
