I See You Dec 12 2021 When Zoe Walker sees her photo in the classifieds section of a London newspaper, she is determined to find out why it's there. There's no explanation: just a grainy image, a website address and a phone number. She takes it home to her family, who are convinced it's just someone who looks like Zoe. But the next day the advert shows a photo of a different woman, and another the day after that. Is it a mistake? A coincidence? Or is someone keeping track of every move they make ...

Boyfriend Jun 18 2022 The dreamiest player on the Moo U hockey team hangs a flyer on the bulletin board, and I am spellbound: Rent a boyfriend for the holiday. For \$25, I will be your Thanksgiving date. I will talk hockey with your dad. I will bring your mother flowers. I will be polite, and wear a nicely ironed shirt... Now everyone knows it's a bad idea to introduce your long-time crush to your messed-up family. But I really do need a date for Thanksgiving, even if I'm not willing to say why. So I tear his phone number off of that flyer... and accidentally entangle our star defenseman in a ruse that neither of us can easily unwind. Because Weston's family is even nuttier than mine. He needs a date, too, for the most uncomfortable holiday engagement party ever thrown. There will be hors d'oeuvre. There will be faked PDA. And there will be pro-level awkwardness... Boyfriend is a full-length book for Weston and Abbi!

If You Were Mine May 25 2020 Theo MacLeod wasn't supposed to be the one. Tall, dark and handsome suits me just fine, but the cocky grin, know-it-all attitude, and mammoth ego? No thanks. I only hired him so I wouldn't have to sit at the singles table again. It was just pretend. He wasn't supposed to kiss me. My heart wasn't supposed to pound. We weren't supposed to spend the night together--the hottest night of my life. One night turns into a snowed-in weekend away, and even the blizzard of the century can't cool the fire between us. I can't get enough--of his smile, of his body, of the way he makes me feel. We're nothing alike. He's a daredevil, and I'm a nervous Nellie. He's a drifter, and I want to put down roots. He's an opportunist with a checkered past, and I'm a Girl Scout volunteer. But none of it matters when I'm in his arms. I know he's made mistakes. I know his wounds are deep, and he doesn't trust easily. I know he doesn't believe he could ever be enough to make me happy, but he could. All he has to do is stay.

Stuck with You Apr 16 2022 From the New York Times bestselling author of The Love Hypothesis comes a new steamy, STEM-inist novella... Nothing like a little rivalry between scientists to take love to the next level. Mara, Sadie, and Hannah are friends first, scientists always. Though their fields of study might take them to different corners of the world, they can all agree on this universal truth: when it comes to love and science, opposites attract and rivals make you burn... Logically, Sadie knows that civil engineers are supposed to build bridges. However, as a woman of STEM she also understands that variables can change, and when you are stuck for hours in a tiny New York elevator with the man who broke your heart, you earn the right to burn that brawny, blond bridge to the ground. Erik can apologize all he wants, but to quote her rebel leader—she'd just as soon kiss a Wookiee. Not even the most sophisticated of Sadie's superstitious rituals could have predicted such a disastrous reunion. But while she refuses to acknowledge the siren call of Erik's steely forearms or the way his voice softens when he offers her his sweater, Sadie can't help but wonder if there might be more layers to her cold-hearted nemesis than meet the eye. Maybe, possibly, even burned bridges can still be crossed.... To read Mara and Hannah's stories look for the novellas Under One Roof, available now, and Below Zero, coming soon from Berkley!

Have you ever been so angry that hitting things felt good? Or numb to all emotions? The past few years have been like that for me. Traveling between fury and indifference with no stops in between. Some people hate me for it, while others are scared of me. But none of them can hurt me, because I don't care about anything or anyone. Except Tatum. I love her so much that I hate her. I hate that I can't let her go. We used to be friends, but I found out that I couldn't trust her—or anyone else. So I hurt her. I pushed her away. But I still need her. She centers me. Engaging her, challenging her, pushing her—it's the one last part of me that feels anything anymore. But then she went and screwed everything up. She left for a year and came back a different girl. Now, when I push, she pushes back...and I'm not sure either one of us will ever be the same. Includes a teaser for *RIVAL*, the next unforgettable novel from Penelope Douglas....

And I won't lie—my new classmate Demi Davis is one cool chick. Her smart mouth is hot as hell, and so is the rest of her, but the fact that she's got a boyfriend eliminates the temptation to touch her. Except three months into our friendship, Demi is single and looking for a rebound. And she's making a play for me. Avoiding her is impossible. We're paired up on a yearlong school project, but I'm confident I can resist her. We'd never work, anyway. Our backgrounds are too different, our goals aren't aligned, and her parents hate my guts. Hooking up is a very bad idea. Now I just have to convince my body—and my heart.
