Soul Rest Oct 16 2022 Celeste has worked hard to establish her freelance blog as a source of accurate crime news for the Baton Rouge area. Being a workaholic, focusing solely on her career, was her choice. Five years ago, she had a life-changing experience in a BDSM club that made it clear she is a submissive, but she believes her past makes embracing that path impossible. Then Sergeant Leland Keller walks into her life. He's the Dom she's always feared and hoped she'd meet, and he recognizes her as what he's been looking for as well. But she fights submission as much as she longs for it. Leland always thought he was looking for a docile, sweet-natured sub, but the heart wants what it wants. He can tell Celeste is aching for love and surrender. Having served in the military and now as a patrol sergeant in one of Baton Rouge's most dangerous districts, he doesn't shy from a challenge. His job is to protect and serve. He's not going to let her down.

But what will hold them together once the fantasy ends? Lucas Adler has recently realized he wants more from a relationship than just fantastic sex. But while on a cycling trip through the Berkshires, he encounters a beautiful blonde in the woods. Dressed in only white silk panties and a matching corset, she's stretched out on the back of a motorcycle and revving her engine—just not the one on the bike. Although he wonders if he can have the fantasy and the reality, Lucas is certain of one thing. He wants her... Cassandra Moira wants to relax. Things are crazy back home, and the deal she just tied down has unraveled. So when an opportunity comes along to hop on a motorcycle and take in some scenery, Cass takes it. Stopping to rest and reflect, she remembers the weak men she's dealt with in her life. So she closes her eyes and imagines a man who can take charge. A man, who with the blink of an eye, is right in front of her... After their encounter, Cass enters Lucas's life again. This time, she's part of a negotiating team on a three-day business deal. She's also not about to let any man control her. Now Lucas must use every strategy he knows to prove his love before she's gone from his life again.
